

AIR HAMBURG SPECIAL TERMS AND CONDITIONS FOR ON DEMAND

April 2023

1. General

1.1 These Air Hamburg Special Terms and Conditions for On-Demand (hereinafter the “OD T&CS” or “Agreement”) together with the Air Hamburg General Terms and Conditions of Carriage (hereinafter the “AH GTCCs”), and any additional terms set out in any relevant quotation and/or Booking Confirmation (“Confirmation”) form the contractual basis for the provision of Flight Services (defined below) by Air Hamburg Luftverkehrsgesellschaft mbH Germany (“Air Hamburg”) as contractual carrier (collectively hereinafter, the “Terms”). The AH GTCCs are available on the Air Hamburg website.

1.2 The Terms are applicable for commercial transport of Passengers and/or any permitted goods and/or animals from an agreed point of departure to an agreed point of destination as more particularly detailed in the quotation (“Flight Services”).

1.3 The contract may be concluded with (i) an end customer or (ii) an agent on behalf of an end customer (either (i) or (ii) being, as context demands, the “Client”). Where the Client executes this contract as an agent, the Client warrants (on its own behalf and as agent for ~~its~~ the end customer) that (a) it is bound by these Terms jointly and severally with the end customer, and (b) it has all requisite power and authority to bind the end customer. Any Client entering into this contract agrees to be held liable for any breach of the Terms by any passenger utilizing the Flight Services (“Passenger/s”) and generally for the acts and omissions of those Passengers.

2. Conclusion of Contract

2.1 The quotation issued by Air Hamburg constitutes a non-binding offer. Only the issuance of a Confirmation (which may also be termed a “Booking Confirmation”) by Air Hamburg constitutes a binding offer which requires acceptance within the stipulated acceptance period. If such acceptance period is lapsed, Air Hamburg shall not be bound by its Confirmation.

2.2 The return of the Confirmation duly signed by Client, if an individual, or by an Officer of Client with authority and approval to bind Client, if a corporation, shall constitute a binding contract of carriage between Client and Air Hamburg and governed by the Terms. Such Officer personally confirms that they are in possession of all power and authorisations required by law and under the Client’s constitutional documents and internal

procedures, in order to validly execute the Confirmation and to commit the Client to the Terms. Such Officer shall, upon any breach of the Terms by the Client, become jointly and severally liable with the Client for all the Client’s representations and obligations under the Terms.

3. Performance of Flight Services

3.1 Air Hamburg shall have the right to perform the Flight Services as contractual carrier or assign the performance of the Flight Services to a third party actual carrier pursuant to Section 7. Client and Client’s Guests shall comply with all applicable laws, including aviation regulations, as well as the rules, policies, and practices of any third-party carrier, including their general terms and conditions of carriage (or other similarly named document), insofar as these each impose binding obligations or restrictions on Client and/or Guests, and shall conduct themselves in an appropriate manner.

3.2 The Flight Services will be performed pursuant to and in accordance with the AH GTCCs as applicable at the date of Flight Services and the operating procedures approved by the competent authority of the contractual or the actual carrier as the case may be.

3.3 Air Hamburg expressly reserves the right to utilize on its own account any lay over period or empty capacity the aircraft may have, including any empty legs related to the Flight Services, before, during or after the period in which the aircraft is available to the Client.

3.4 Flight Services are planned with a set of one (1) crew (Pilot in Command, Co-pilot) subject to crew duty time and rest period restrictions by applicable duty limitation regulations.

4. Included and Excluded Costs

4.1 The Price (as stated on the Confirmation) does include aircraft costs including crew, fuel, maintenance, air navigation, airport and handling charges, standard inflight catering (depending on flight time and time of day), Passenger and baggage insurance.

4.2 The following costs are not included and shall be charged separately to Client at cost, including applicable taxes plus a handling surcharge of 10%:

- a) Insurance surcharges;
- b) SATCOM services;
- c) Special catering requests such as but not limited to caviar and special wines or spirits;
- d) cabotage permission costs;
- e) VIP terminal, special handling, helicopter and/or limousine services;

f) any other concierge services rendered by Air Hamburg upon request by Client;

g) Supplemental of specialty Cabin Crew (beyond what is assigned), as requested by Client and/or any Passenger.

In such event, Client acknowledges and agrees that if Air Hamburg has to use an enlarged or second crew, this may necessitate crew being in the cabin during the flight.

4.3 Taxes if applicable will be posted separately on the quotation/invoice.

5. Payment

5.1 All payments due to Air Hamburg shall be made upon receipt of invoice and in cleared funds received by Air Hamburg by the payment date(s) specified by Air Hamburg on the Confirmation or otherwise in writing to the Client or (if no such date(s) are specified) by one (1) business day prior to the flight date (each, the “Due Date”), without setoff or deduction. Time for payment shall be of the essence. If the Due Date is not a business day (bank holiday or weekend) the due and payable amount shall be received and credited to Air Hamburg’s account on the last preceding business day. Payments are to be made at costs of the sender in the currency to the bank account stated on the invoice.

5.2 Where the Member does not remit payment by the Due Date, the payment due shall be increased by three percent (3%), save in the case where the Member has made the booking within twenty-four (24) hours of the confirmed departure time. In addition, late payments shall be subject to interest at 10% of the outstanding sum per annum (pro rata) from the date due until Air Hamburg’s receipt. Air Hamburg shall not be in breach of contract if it suspends Flight Services or additional services until receipt of funds.

5.3 Incoming payments shall first be offset against the oldest debt. Payment which is not sufficient to cover the entire debt will first be offset against the interest and finally against the principal debt.

5.4 If the payment has still not been made after issuance of a reminder and the setting of a deadline for payment, Air Hamburg shall be entitled to withdraw from the contract of carriage and cancel the booking, subject to cancellation charges as set out in Section 8. Air Hamburg may refuse to set a payment deadline if the imminence of the departure date makes it unfeasible to stipulate a period for payment prior to departure. In such event, Air Hamburg may withdraw from the contract of carriage and refuse performance of Flight Services subject to cancellation charges as set out in Section 8.

5.5 Major credit cards will be accepted. If a credit card institute or a bank refuses to honour the payment required under the contract, Air Hamburg shall levy Client with a processing charge of USD 600 in addition to any charges made by the credit card institute or the bank.

5.6 Client and Passenger shall be jointly and severally liable for the payment of (i) the Flight Services, (ii) taxes on, or related to the provisions of the Flight Services, (iii) any additional costs set out in the quotation, Confirmation and/or this Agreement, and (iv) the cost of any damage or losses caused as a result of the conduct of the Client and/or any Passenger (including the cost of cleaning, disinfecting or repairing an aircraft exterior and/or its cabin and furnishings).

6. Flight Changes and Delays

6.1 Air Hamburg and/or the actual carrier shall endeavour to the best of their ability to ensure punctual carriage of Passengers and baggage. However, the announced flight times and/or airports are subject to reasonable changes owing to operational and technical circumstances beyond Air Hamburg’s and/or the actual carrier’s control (for example, cancellation of a landing permit). In the event of a change to an airport, Air Hamburg may select at its discretion a reasonable alternative airport for the Flight Services.

6.2 The Client is responsible to ensure that Passengers arrive adequately in advance of the scheduled departure time. Air Hamburg and/or the actual carrier’s ability to satisfy any variation in the Flight Services shall always be subject to crew duty times and rest periods and the availability of additional crew.

6.3 Client may request a departure delay beyond any confirmed departure time. Air Hamburg shall agree to such delay if it (a) is compatible with crew duty time restrictions, applicable aviation regulations and air traffic control requirements and (b) does not impact on other clients of Air Hamburg or affiliate (either as determined by Air Hamburg at its sole discretion). If Client delays a flight beyond the agreed departure time for any reason that is not the fault of Air Hamburg or actual carrier, the Flight Services shall be deemed to be cancelled by Client.

7. Substitutions

7.1 Air Hamburg reserves the right at its sole discretion to provide Client with an equivalent or superior aircraft owned or managed by Air Hamburg or an affiliate thereof (“Substitution Aircraft”).

7.2 In the event Air Hamburg determines that a Substitution Aircraft is not available to provide the Flight

Services, Air Hamburg shall advise Client without delay and provide a revised quotation, which may include revised pricing, to arrange an alternative aircraft (“Alternative Aircraft”) that is not a Substitution Aircraft. If Client agrees to (or is deemed to agree to – see below) the Alternative Aircraft, Client shall be liable for the fees and charges set forth in the original booking confirmation plus any excess fees and charges agreed to for the Alternative Aircraft.

7.3 Client will have the opportunity to terminate this Agreement if (i) a Substitution Aircraft is required to provide the Flight Services and Air Hamburg determines Client must pay additional costs for such Substitution Aircraft, or (ii) an Alternative Aircraft is required to provide the Flight Services, provided, however, Client must provide written notice of termination to Air Hamburg no later than (i) five (5) hours following notification, or (ii) at a later deadline if provided by Air Hamburg at its sole discretion. Failure to provide notice in the allotted time shall be deemed affirmative consent, including to associated cost.

7.4 For the avoidance of doubt, if an Alternative or Substitution Aircraft is required while en route during a multi-leg Flight Service, any written termination pursuant to Section 7.3 above shall apply prospectively for all impacted legs only. All prior legs shall be governed by the original Booking Confirmation. Consequently, Air Hamburg shall refund Client a pro rata proportion of the Price relating to those legs remaining as at the time of termination.

8. Cancellation

8.1 Flight Services shall be deemed cancelled by Client in the event of: (i) cancellation of any booked flight communicated by the Client to Air Hamburg in advance of the commencement of Flight Services, (ii) a delay of any Passengers and/or Client impacting the scheduled time of departure unless specifically agreed by Air Hamburg in advance in writing at its sole discretion and/or a no-show, (iii) any refusal or inability of the Client and/or any of its Passengers to comply with the reasonable instructions of Air Hamburg, actual carrier, and/or the pilot-in command, including pursuant to Section 3 of the AH GTCCs, for flight safety and/or health and/or security reasons leading the pilot-in-command and/or Air Hamburg and/or actual carrier to reasonably deem it necessary to cancel or terminate a planned flight, (iv) failure to provide necessary health and safety documentation requested by Air Hamburg and/or actual carrier at their sole discretion by the deadline provided, (v) inability of Client and/or Passenger to secure exit from the departure destination or entry to the

arrival destination, and/or (vi) Client failing to make any payment prior the Due Date.

8.2 For the purposes of calculating the cancellation fee for a multi-leg Flight Service, as noted in the Booking Confirmation, (i) the departure shall refer to the departure of the first scheduled flight leg, and (ii) the price shall refer to the total Price of the multi-leg Flight Service. For the avoidance of doubt, where the first scheduled flight leg has already occurred, Air Hamburg shall apply a 100% cancellation fee

8.3 Air Hamburg reserves the right to cancel, without liability for loss, injury, damage or delay, Flight Services where Air Hamburg, in its sole discretion, deems such cancellation necessary (a) under Section 2.2 of the AH GTCCs; or (b) as a result of the Client and/or any Passenger not complying, or being unable to comply, with any of the requirements in Section 2 or Section 3 of the AH GTCCs.

8.4 In such circumstances set out in Section 8.1 and 8.3:

the Cancellation Fees set out on the relevant quotation or Confirmation shall each be applicable and payable by Client.

8.5 In the event a flight is cancelled under Section 8.1 or 8.3, the costs of any additional goods and/or services arranged by Air Hamburg at the Client’s request through third party supplier(s) ancillary to the actual booked flight shall also remain the responsibility of the Client and shall be charged to the Client at the cost plus a Surcharge pursuant to Section 4.2.

8.6 Any reimbursement of flight charges and of any other amounts paid by the Client in advance of the booked flight shall be subject to the deduction of any amounts outstanding owing to Air Hamburg, including Cancellation Fees. Any remaining balance of the sums paid by the Client shall be promptly repaid to the Client. If the funds paid by Client are not sufficient to cover the Cancellation Fees, Client undertakes to make payment of any additional sums required to cover the Cancellation Fees within seven (7) days of the date of issue by Air Hamburg of an invoice to the Client for such sums.

8.7 Air Hamburg will not be liable to the Client for any loss or expense incurred by the Client or any Passenger in the event of cancellation due to their failure to comply with the provisions set out or referred to in these OD T&Cs.

9. Severability

Should any one or more clauses of the Terms be found to be illegal or unenforceable in any respect, the validity,

legality and enforceability of the remaining clauses shall not in any way be affected or impaired thereby.

10. Miscellaneous

10.1. Aircraft availability shall always be subject to the carrier being able to obtain appropriate permits and permissions, including but not limited to traffic rights, customs and immigration permits, operational approvals, take-off and landing slots, insurance and compliance of Client and/or Passengers with applicable laws, rules and requirements, including immigration, customs, agriculture, currency and health regulations and sanctions applicable at each destination. Client shall provide Air Hamburg no later than 24-hours or by the date set by Air Hamburg prior to departure with a complete guest list, passport copies including applicable visa and all other necessary information and valid documentation and any other operational requirements for the requested Flight Service. Air Hamburg reserves the right to refuse arrangement of Flight Services if the entry and exit requirements for the country of departure or destination are not met, or if the required documentation/certification is not presented, without being liable for any damages due to such refused arrangement of Flight Services. Client and its Passengers shall be jointly and severally liable for any damages resulting from any incorrect or incomplete information provided to Air Hamburg or from the delayed or improper provision of such information. Client in its own capacity and on behalf of its guest indemnifies Air Hamburg in respect of claims for damages due to boarding denied by the carrier and all cost incurred in connection with Client or its guest not complying with all legal requirements of the country of departure, transit countries and the country of destination such as but not limited to surcharges, fees, fines, levy including lawyer costs and costs of repatriation. Furthermore, Air Hamburg shall not be liable or in any way responsible to Client or Client's guests if it or the carrier are unable to timely secure such permits and permissions.

10.2. Client shall use the aircraft only for its own pleasure or for business in the carriage of Client and/or Passengers, and shall not use the aircraft: (i) to offer or to provide transportation of passengers or cargo for remuneration of any kind; (ii) in violation of any applicable law and/or the insurance requirements; (iii) for any illegal purpose including in violation of any applicable law or sanctions; or (iv) for any commercial use, including photography/filming, without prior written approval. Air Hamburg or the carrier may deny boarding to any Passenger who is listed on "no-fly" or similar lists, who lacks appropriate travel documents for international travel, or who is ineligible for

transportation for any other reason. Client shall be fully responsible for ensuring Client and all officials, employees and guests on the aircraft are eligible for carriage and comply with all applicable laws.

10.3. Client has no proprietary rights in any aircraft utilized by Client pursuant to this Agreement, and shall not cause, permit or allow any mortgage, charge, pledge, lien, hypothecation, assignment, claim or any other encumbrances whatsoever to be placed against the Aircraft.

10.4. This Agreement does not create a joint venture, partnership, or any other form of business relationship between the parties. Where more than one person and/or legal entity is designated as Client pursuant to this Agreement, then each person and/or legal entity shall all have joint and several liability to Air Hamburg under this Agreement. The Terms set out the entire agreement between the parties. No special terms, representations, assurances, promises or warranties shall be binding on Air Hamburg except as set out expressly in the Terms. Any amendment to the Terms must be in writing and agreed to in writing by both the Client and by Air Hamburg. Any amendment to the Terms by the Client are null, void and of no effect unless agreed to by Air Hamburg in writing in those amended Terms.

10.5. Where applicable, any conversion of any rate from (1) US Dollar to (2) Euro (or any other currency) and/or vice versa shall be calculated on the basis of the respective midmarket rate to the US Dollar listed from a commercially accepted and reputable source for the invoice date.

10.6. Each party's rights and remedies under this Agreement are cumulative and not alternative and are not exclusive of each other.

10.7 For the avoidance of doubt, Air Hamburg shall have no duty to mitigate any loss arising from the failure by the Client to pay any amount due under this Agreement, whether by transporting any third parties for consideration on the Aircraft, by disposing of the Aircraft, or by any other manner.

10.8 The collection, use, and processing of personal data of natural persons related to the Flight Services is governed by the AH GTCCs and the Air Hamburg Privacy Policy available at <https://www.air-hamburg.de/en/data-privacy-policy> ("Privacy Policy"). By submitting personal data to Air Hamburg or an affiliate about any natural person, including Passengers, the Client hereby confirms that: (i) the Client has been appointed to act for such persons; (ii) such persons consent to the processing of their personal data, which

data may also include sensitive personal data; and (iii) the Client will inform such persons of Air Hamburg's identity and the Privacy Policy, including the sections regarding types of personal data collected, how it is used, and who it is shared with.

10.9 Air Hamburg may, at its sole and full discretion, allocate all or part of any payment received pursuant to these Terms to offset or settle (in full or in part) any sums due from the Client to Air Hamburg or to an affiliate thereof under any other contract ("Allocation"). For the avoidance of doubt, Client shall remain liable for the full amount due under these Terms and shall, immediately upon Air Hamburg's demand, make a further payment equal to the Allocation.

11. Governing Law & Forum

11.1 The Terms and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to the Terms or their formation (including any non-contractual dispute or claim) shall be governed by and construed in accordance with English law.

11.2 In the event of any dispute arising out of or relating to the Terms as set out in Section 11.1, Air Hamburg may at its sole and exclusive discretion refer such dispute for final resolution by arbitration under the London Court of International Arbitration ("LCIA") Rules for commercial arbitration. The LCIA Rules are deemed to be incorporated by reference into this Section 11.2.

11.3 The language to be used in the LCIA arbitration referred to in Section 11.2 shall be English. In any LCIA arbitration commenced under Section 11.2, the number of arbitrators shall be one and the seat or legal place of arbitration shall be London, United Kingdom.

11.4 The parties agree that arbitration or any other proceeding shall proceed on an individual basis without the right for any claims to be arbitrated or resolved on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of others. The arbitrator's authority to resolve and make written awards is limited to claims between Client and Air Hamburg alone. Claims may not be consolidated or jointed unless agreed to in writing by all parties to pursue all Claims solely on an individual basis, and that these T&Cs do not permit class arbitration or any claims brought as a plaintiff or class member in any class or representative arbitration proceeding.

11.5 Save in the event of a referral by Air Hamburg under Section 11.2, the English courts located in London shall have exclusive jurisdiction to determine any dispute

arising in connection with the Terms, save that Air Hamburg shall retain the right (save in the event of a referral by Air Hamburg under Section 11.2) to bring proceedings against the Client in the courts of any other competent jurisdiction whether or not proceedings in the English Courts are pending or have been prosecuted to judgment. For the avoidance of doubt, any referral by Air Hamburg under Section 11.2 shall not limit the rights of the parties to enforce (through competent courts or otherwise) any arbitral award or decision handed down pursuant to Section 11.2. The parties agree that arbitration or any other proceeding shall proceed on an individual basis without the right for any claims to be arbitrated or resolved on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of others. The arbitrator's authority to resolve and make written awards is limited to claims between Client and Air Hamburg alone. Claims may not be consolidated or jointed unless agreed to in writing by all parties. to pursue all Claims solely on an individual basis, and that this AH GTCCs does not permit class arbitration or any claims brought as a plaintiff or class member in any class or representative arbitration proceeding.

AIR HAMBURG GENERAL TERMS AND CONDITIONS OF CARRIAGE

GTCC | Version 1 | March 2023

1. SCOPE

- 1.1. These General Terms and Conditions of Carriage (“GTCC”) apply to all flights and other services for which a contract (“Services Agreement”) has been concluded with Air Hamburg Luftverkehrsgesellschaft mbH Germany, a German carrier with Air Operator’s Certificate D-326 (“AH”).
- 1.2. AH is the contracting carrier as defined in legislation governing carriage by air and the party to the contract with the Client (disregarding if the contract has been concluded with the Client or by an agent on behalf of the Client). If AH has the carriage to which the Client is entitled handled by other carrier, such other carrier is the actual carrier as defined in legislation governing carriage by air.
- 1.3. These GTCC take precedence in the event of a conflict with any other terms and conditions in a Services Agreement or other AH contract.
- 1.4. These GTCC are available on the AH website or another location as AH may from time-to-time provide.
- 1.5. References in these GTCC to “Client” include references to the customer contracting party in any Services Agreement. References in these GTCC to “Passengers” are to passengers nominated or otherwise authorised by the Client to utilise the flight services provided under these GTCC.

2. COMPLIANCE WITH ENTRY AND EXIT REQUIREMENTS; REQUIRED DOCUMENTS

- 2.1. Passengers are responsible for obtaining, and presenting at check-in and at immigration, the necessary travel documents, visas and doctor's certificates, certificates of vaccination and the like which are required – for themselves and for any children or animals travelling with them – under the passport, visa and health regulations of the countries in question and/or by AH. In particular, AH would like to draw Client’s and Passengers’ attention to visa requirements for foreign nationals. Passengers shall not travel, and the Client shall not permit Passengers or accompanying animals to travel where to do so would pose a risk to their health and/or safety or to the health and/or safety of any third party (including AH employees, customers, and service providers).
- 2.2. As contractual carrier, AH may, without liability for loss, injury, damage or delay, refuse carriage (i) if the entry or exit requirements for the country of departure or destination are not met, (ii) if the required documentation/certification is not presented, or (iii) if such carriage, in the sole judgment of AH, is for any illegal purpose or would result in violation of any applicable law or sanctions (including any Passenger who is listed on a “no-fly” or similar list).
- 2.3. AH takes no responsibility with the regard to any Passenger’s compliance with any country’s entry or exit requirements (including visas and health status). Such compliance is the sole responsibility of the Passenger(s).
- 2.4. The Client shall indemnify AH for any direct and indirect costs incurred by AH arising from the Client and/or Passengers not complying, or being unable to comply, with any of the requirements in Sections 2 and 3 of these GTCC, such costs including but not limited to fines and cost of Passenger repatriation.

AH may, without liability for loss, injury, damage or delay, and at its sole discretion, refuse to carry Passengers on domestic flights where national laws (known as “cabotage” rules) prohibit such carriage, for example within the United States. As a result, any change to the list of Passengers must be notified immediately to AH and will be subject to AH’s prior approval. Stopovers within a given country (including the United States) may be authorized but the domestic transportation of Passengers within that country may be prohibited (and, in the case of the United States, is prohibited).

- (a) The Client must ensure that all Passengers booked to travel (as set out in the passenger manifest) on domestic segments (in particular within the United States) will do so on a continuous international journey on the same carrier.

3. HEALTH, SAFETY AND SECURITY

- 3.1. AH is entitled to change the route, flight schedule, seating capacity and maximum take-off weight if these are required under certain operational circumstances not caused by AH or actual carrier.

3.2. Captain's Decision

The pilot in command shall at all times be entitled to take all necessary measures for health and safety reasons. The pilot in command has the authority to decide with regard to Passenger's seating as well as baggage loading, allocation/placement and unloading. The pilot in command decides whether or not and how the flight is operated and which Passengers and accompanying animals may not travel, for example due to their behaviour, to Passenger and/or Client failure to provide requested documentation and/or submit to reasonable pre-flight health checks (such as taking of body temperature by crew), or to their health, physical or mental condition.

Client and Passenger accept all such decisions of the pilot in command. Client and Passenger agree that when (in the reasonable view of AH or the pilot in command) health, safety or security may be compromised, AH or the pilot in command may decide to refuse to start or commence a flight, divert a flight, or take other action (including refusal to carry a Passenger, animal or luggage) necessitated by such health (for example, a Passenger appears to have symptoms of or have a communicable disease or condition or a Passenger refuses a screening for such disease or condition), safety and security considerations, without liability for loss, injury, damage or delay.

3.3. Carriage of expectant mothers

The following regulations apply for safety reasons and to avoid health risks to expectant mothers: AH will carry expectant mothers up to 4 weeks before the expected date of delivery without certification that the Passenger is fit to travel; AH is entitled to demand presentation of the woman's antenatal medical record as proof that the pregnancy is not beyond the 35th week.

Expectant mothers will no longer be carried as from 4 weeks before the expected date of delivery. The foregoing regulations also apply to the date of any planned return flight.

3.4. Carriage of infants, children and adolescents

Owing to the risk of potential health damage, AH recommends that newborn babies up to the age of 7 days should not fly. Infants travel on the lap of their parent, guardian or accompanying Passenger during take-off and landing.

3.5. Carriage of animals

Owing to safety reasons and because of the limited space available, Passengers are entitled to demand the transport of animals (including domestic animals and pets) only if AH has been notified at the time of booking and has confirmed carriage of the animal. Client is responsible for ensuring that the animal complies with the requirements in the country of destination and that the animal is medically fit to travel.

3.6. Carriage of baggage

(a) Excess and general baggage

Passenger baggage weight is limited for flight safety reasons and varies according to aircraft type. Items determined by the crew to be of excessive weight or size will not be permitted on the aircraft. Flights are being calculated with the EASA Air Regulations standard weight tables by Passenger and by type of aircraft. If Passenger baggage exceeds these limits Passenger must notify AH prior to flight. Unless otherwise explicitly stated, Passengers are obliged to notify AH of all excess and general baggage, stating the dimensions and weight of the items such as but not limited to sports equipment, pushchair/buggy and child's car seat.

The carriage of excess and general baggage shall be decided on the basis of the available hold capacity and security regulations for each flight at the sole discretion of the pilot in command. Accordingly, AH reserves the right to accept only a limited quantity or refuse the carriage of excess or general baggage entirely.

(b) Generally prohibited baggage

For safety reasons, the following materials and items shall not be placed in either hold or checked baggage and will not be carried:

- (1) Briefcases or security-type attaché cases with installed alarm devices, or incorporative lithium batteries and/or pyrotechnic material;

- (16) Any object or substance whose possession and/or carriage by air is prohibited under applicable law.

The provisions in (1) to (15) above do not apply to medicines and medical appliances, toiletries, smoking utensils (except petrol cigarette lighters) or alcoholic drinks, provided that such items are carried only in small quantities for personal use. For the avoidance of doubt, (16) above applies to such items.

(c) Prohibited items in checked baggage

Checked baggage must not contain fragile or perishable items, items of value including money, jewellery, precious metals, jewels, computers (including laptop computers), cameras, mobile phones, electronic cigarettes, vaping equipment or other electronic equipment, securities, stocks and bonds, as well as other valuables or business documents, samples, identification documents, house or car keys, medicines and/or medical aids and appliances (such as hearing aids, dental braces and glasses) required by the Passenger and/or spare lithium batteries, lithium ion battery-powered personal transportation devices (including Segways and hoverboards) and lithium.  - fireworks, flares in any form and other pyrotechnics (including party poppers and toy cap guns);
 - non-safety matches;
 - smoke-generating canisters or cartridges;
 - flammable liquid fuel (e.g. petrol/gasoline, diesel, lighter fluid, alcohol, ethanol); aerosol spray paint; turpentine and paint thinner;
 - alcoholic beverages exceeding 70 % by volume.
- (5) Chemical and toxic substances
Any chemical or toxic substances which pose a risk to the health of Passengers and crew or the security/safety of aircraft or property, including:
- acids and alkalis (e.g. spillable 'wet' batteries);

- corrosive or bleaching substances (e.g. mercury and chlorine);
 - disabling or incapacitating sprays (e.g. mace, pepper spray and tear gas);
 - radioactive material (e.g. medicinal or commercial isotopes); poisons;
 - infectious or biological hazardous material (e.g. infected blood, bacteria and viruses and any items carrying or containing the same);
 - material capable of spontaneous ignition or combustion;
 - fire extinguishers.
- (6) Restriction on liquids in hand baggage (EU Regulation 1546/2006)

European Union regulations on Security in Civil Aviation restrict the amount of liquids that Passengers are permitted to take on board in their hand baggage.

It must be ensured that these liquids are in individual containers with a capacity of no more than 100 ml, or the equivalent amount given in a different unit of measurement (based on maximum contents as printed on the container). All of these individual containers must be packed in a transparent, re-sealable plastic bag with a capacity of no more than one (1) litre. The plastic bag must be easily and fully sealable. Passengers are not permitted to seal a normal (non-sealable) plastic bag using additional means.

Only one (1) plastic bag is allowed per person.

Liquids include: gels, pastes, lotions, liquid/solid mixtures, such as toothpaste, hair gels, beverages, soups, syrups, perfume and other items of similar consistency, as well as the contents of pressurized containers such as aerosols, shaving cream and hair spray.

Exemptions may be granted if the liquid is:

- to be used during the trip and is either required for medical purposes or a General dietary requirement, including baby food. When requested to do the Passenger shall provide proof of authenticity of the exempted liquid; or
- obtained airside beyond the point where boarding passes are controlled from outlets that are subject to approved security procedures as part of the airport security programme, on condition that the liquid is packed in a bag that is both tamper evident and displays satisfactory proof of purchase at the airport on that day; or
- obtained in the security restricted area from outlets that are subject to approved security procedures as part of the airport security programme; or
- obtained at another Community airport, on condition that the liquid is packed in a bag that is both tamper evident and displays satisfactory proof of purchase at airside at that airport on that day; or
- obtained on board an aircraft of a Community air carrier, on condition that the liquid is packed in a bag that is both tamper evident and displays satisfactory proof of purchase on board that aircraft on that day.

The above regulations shall apply to all flights departing from airports in the European Union (including connecting flights) irrespective of their destination or the country in which the carrier is based. Passengers entering the EU from an airport outside the EU must undergo another security screening before boarding their connecting flight.

Various non-EU states have passed identical or similar regulations.

(e) Carriage of sporting weapons

Passengers must inform AH as early as possible in writing prior to the flight if they intend to include sporting weapons and/or associated ammunition in the baggage.

Sporting weapons must be unloaded and stored in gun-cases or bags.

Ammunition must be packed separately in a bag or case and its total weight must not exceed 5kg.

Allowances for more than one person must not be combined into one or more packages.

Sporting weapons and any associated ammunition must be the personal property of the Passenger and must be properly licensed by the Passenger's country of residence and have the required European weapon passport, where applicable.

The Passenger shall provide such documentation as required by AH that evidences compliance with the above paragraph. AH may require that the Passenger provide additional documentation for the transport of sporting weapons and ammunition (for example, where the destination country of the Passenger requires such additional documentation to be furnished); AH will communicate to the Passenger any such requirement for additional documentation following the receipt by AH of the Passenger's initial notification of intention to carry a sporting weapon and/or associated ammunition.

Failure by the Passenger to comply with any of the above points in this sub-Section 3.6(e) may result in AH refusing to carry the Passenger's sporting weapons and/or any association ammunition.

(f) Carriage of lithium batteries

All spare lithium batteries, power banks and portable electronic devices (e.g. e-cigarette, personal vaporizers) must be in carry-on hand baggage and must be individually protected so as to prevent short circuits (e.g., by placement in original retail packaging, by otherwise insulating terminals by taping over exposed terminals, or placing each battery in a separate plastic bag or protective pouch). Spare lithium batteries must not come in contact with metal objects, such as coins, keys, or jewellery and take steps to prevent crushing, puncturing, or pressure on the battery.

Lithium batteries with capacity exceeding 160 Wh are not permitted.

For reference see European Aviation Safety Agency Safety Information Bulletins 2015-28, 2016-04 and 2017-04.

3.7. Electronic equipment

For safety reasons, the use of all PEDs is strictly prohibited during take-off and landing. The use of mobile phones is not permitted throughout the entire flight. The use of other electronic devices is permitted only with the consent of the pilot in command.

PEDs placed in checked baggage have to be completely switched off and effectively protected from accidental activation. To ensure the device is never powered on during its transport, any applications, alarms or pre-set configurations that may activate the device have to be disabled or deactivated.

PEDs placed in checked baggage have to be protected from damage by applying suitable packaging or casing or by being placed in a rigid bag protected by adequate cushioning (e.g., clothing). PEDs shall not be carried in the same baggage together with flammable material (e.g. perfumes, aerosols, etc.);

For reference see European Aviation Safety Agency Safety Information Bulletin 2017-04.

3.8. Smoking

Smoking may be prohibited on some AH flights depending on the individual aircraft. Additional Costs for cabin cleaning will be charged to the Client.

3.9. Conduct

Passenger shall at all times utilize the aircraft and provided amenities in good faith. Except for personal use items reasonably and proportionally utilized, Passenger may not remove items from the aircraft without AH's prior written permission. Breach of this provision may incur, without limitation, replacement fees and a restocking charge payable by Client.

4. FORCE MAJEURE

- 4.1. A "Force Majeure Event" is war, warlike events, infringements of a country's neutrality, insurrection, civil war, civil unrest, riots, sabotage, strikes, blockades, lockouts, quarantine (whether declared by a national authority or by an international organisation such as the United Nations) resulting in the suspension of all passenger air traffic, hijacking, terrorist actions, requisition, confiscation, expropriation, seizure, adverse weather conditions, natural disasters (such as volcanic eruptions and floods), technical reasons, detention or similar measures, accidents with aircraft, or other events over which AH has no control. AH reserves the right at any time during the carriage to suspend or redirect the flight in question and/or provide the Passenger with another similar aircraft or cancel the flight at its sole discretion without further liability to the Client in the event that the carriage

cannot be completed in accordance with Client's requirements due to a Force Majeure Event. This definition of Force Majeure Event incorporates Sections 4.2 and 4.3 (as applicable) as well as Sections 4.4 and 4.5.

- 4.2. Where AH (or an affiliate thereof) arranges flight services pursuant to a Services Agreement for provision of one-off flight services (including, without limitation, Vista On Demand charter), the above definition of "Force Majeure Event" shall be modified to incorporate this Section 4.2.

In the event a Force Majeure Event occurs prior to the commencement of the carriage and no suitable solution can be found in the sole discretion of AH, AH reserves the right to cancel the contract of carriage without liability to the Client. In this case, AH shall credit the Client with an amount corresponding to the flight in question minus all expenses already incurred. Where AH cancels the contract of carriage having commenced but not completed the carriage due to the Force Majeure Event, the Client shall only be charged on a pro rata basis for the portion of the carriage performed and any balance shall be refunded to the Client.

- 4.3. Reserved.
- 4.4. Unless stated otherwise in mandatory (indispensable) legislation, AH shall not be responsible for any damage or direct and indirect loss as a result of or arising, directly or indirectly, in connection with a Force Majeure Event.
- 4.5. AH shall not be liable for any damage or direct and indirect loss of any nature whatsoever to the Client arising from any delay arising as a result of a Force Majeure Event.

5. GENERAL LIABILITY PROVISIONS

- (a) Liability in connection with the carriage of Passengers, freight and baggage inside and outside the European Community is subject to the liability restrictions of EC Regulation No. 2027/97 of 9 October 1997 as amended by EC Regulation No. 889/02 ("EC Regulation 2027/97"), the Convention for the Unification of Certain Rules of International Carriage by Air of 28 May 1999 ("Montreal Convention"), or the Warsaw Convention for the Unification of Certain Rules relating to International Carriage by Air of 12 October 1929 as amended by the Hague Protocol of 28 September 1955, depending on whether the case involves national or international carriage as defined in the Warsaw Convention or Montreal Convention or the Guadalajara Convention 1961.
- (b) The liability of AH and/or the actual carrier shall in no case exceed the level of the proven damage. AH and/or the actual carrier shall be liable for indirect and/or consequential damage only if the damage is attributable to gross negligence or intent on the part of AH and/or the actual carrier. The foregoing exclusion of liability shall not apply to indirect and/or consequential damage resulting from injury to life, body or health of a person owing to infringement of an obligation caused by negligence on the part of AH and/or the actual carrier.
- (c) If the damage is attributable to contributory negligence on the part of the damaged party, the standards of the applicable law relating to exclusion or reduction of compensation obligations in cases of contributory negligence by the damaged party shall apply. The above provision shall apply accordingly if the damaged party fails to satisfy his/her obligation to keep the damage to a minimum.
- (d) AH and/or the actual carrier shall not be liable for damage caused in fulfilment of government regulations or because the Passenger fails to satisfy his/her obligations pursuant to these regulations.
- (e) AH and/or the actual carrier shall be liable for errors or omissions in flight schedules or other publications of flight times, for information supplied by agents, employees or authorised representatives of AH and/or the actual carrier relating to dates, departure and arrival times or flight handling, only in cases of intent or gross negligence.
- (f) The exclusion and restriction of liability on the part of AH and/or the actual carrier shall also apply accordingly in favour of agents, employees or representatives of AH. The total sum to be paid in compensation by AH and/or the actual carrier and/or the aforesaid persons shall not exceed the maximum statutory and contractual liability sums which apply to AH and/or the actual carrier.
- (g) Unless otherwise explicitly specified, none of these conditions refers to a waiver of the liability exclusions which apply to AH and/or the actual carrier or pursuant to the Warsaw Convention, the Montreal Convention, European or national legislation.
- (h) Notwithstanding anything to the contrary in the Services Agreement, the Client shall be liable to and shall indemnify AH and/or the actual carrier for any breach of these GTCC by the Client and/or by any Passenger(s), including any consequential losses incurred by AH as a result of such breach, however remote. In particular where

- i. AH and/or the carrier breach the cabotage rules set out in Section 2.4 as a result of any act or omission of the Client and/or Passenger(s) (including by way of alteration to passenger manifests);
- ii. the Client is in breach of Section 2.4 above,

the Client shall indemnify AH and/or the actual carrier for all resulting loss and liability incurred, including future loss of revenue, fines, regulatory sanctions and costs incurred in attending and/or defending any regulatory or legal proceedings or investigations.

6. NOTICE PURSUANT TO ANNEX TO EC REGULATION 2027/97

Notice pursuant to the annex to EC regulation 2027/97 as amended by EC regulation 889/02

6.1. Liability of AH and/or actual carrier for Passengers and their baggage

This information notice summarizes the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

- (a) There is no maximum sum in terms of liability in case of Passenger death or injury. For cases of personal injury up to SDR 113,100 (equivalent sum in local currency), AH and/or actual carrier cannot contest claims for compensation. In case of claims greater than this amount, the contractual and/or actual carrier can defend itself by proving that its actions were not negligent or otherwise at fault.
- (b) If a Passenger is killed or injured, AH and/or actual carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximate amount in local currency).
- (c) AH and/or actual carrier is liable for damages caused if Passengers are delayed unless the company took all reasonable measures to avoid these damages or it was impossible to take these measures. The liability for damages caused by Passenger delay is limited to SDR 4694 (equivalent sum in local currency) (EN Official Journal of the European Communities 30.5.2002 L 140/5). Any possible liability under EC regulation 261/2004 remains unaffected.
- (d) The contractual and/or actual carrier is liable for damages caused if baggage is delayed unless the company took all reasonable measures to avoid these damages or it was impossible to take these measures. The liability for damages caused by baggage delay is limited to SDR 1131 (equivalent sum in local currency).
- (e) AH and/or actual carrier is liable for the destruction, loss or damage to baggage up to a sum of SDR 1131 (equivalent sum in local currency). In case of checked baggage, if the baggage was not damaged prior to carriage, the company is liable even if it is not at fault. With regard to hand baggage, AH and/or actual carrier is only liable if its actions are negligent or otherwise at fault.
- (f) A Passenger can benefit from a higher liability limit by making a General declaration at the latest at booking subject to a supplementary fee.
- (g) If the baggage is damaged, delayed, lost or destroyed, the Passenger must write and complain to AH and/or actual carrier as soon as possible. Passengers whose checked baggage sustained damage must submit a written complaint within seven days upon the date the baggage was placed at the Passenger's disposal.
- (h) If AH and/or actual carrier that actually carries out the flight is not the same, the Passenger may address complaints to or make claims for damage against either company. If the name of code of a contractual and/or actual carrier is indicated on the confirmation, that company is the contracting contractual and/or actual carrier.
- (i) Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.
- (j) The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

6.2. Disclaimer

This is a notice required by European Community Regulation (EC) No. 889/2002. No representation is made by the carrier(s) as to the accuracy of the contents of this notice.

Moreover, the actual carrier is also explicitly authorised by Client to process, capture, save, modify, block, delete, disclose, transmit and use Personal Data of Client and Passengers within the scope of performance of the contract and in accordance with applicable data protection regulations for the purpose of delivery by the actual carrier of flight services and performance by the actual carrier of its obligations under the contract, and actual carrier is further explicitly authorised to transmit the said Personal Data to its own offices, authorised representatives and to the parties who provide services on its behalf, including to air crew (pilots and cabin crew) charged with the delivery of flight services to the Client.

AH shall use such information only in the event of such an emergency. AH undertakes that none of the details provided by a Passenger under this Section 8 will be passed on to third parties or used for commercial purposes.

9. AMENDMENTS

- 9.1. AH reserves the right to amend these GTCC at any time with effect for the future without obligation to notify the Client. The GTCC as amended from time to time are published on the website as from the date on which they come into force. By continuing to use AH services after amendment of the GTCC, the Client declares his consent to the amendments. - 9.2. No agency, employee or any other third party is entitled to make any amendments and/or addenda to these GTCC or to waive their applicability.
- 9.3. These GTCC (and any documents, terms or agreements referred to therein) contain the entire provisions of the contract between the Client and AH and supersede all previous agreements, regardless of whether such agreements were made verbally, by electronic means or in writing.

10. SEVERABILITY CLAUSE

Should any individual provision be or become invalid, this shall not affect the validity of the remaining provisions. The invalid provision shall be replaced by a provision which comes as close as possible to the economic purpose of the invalid provision.

11. APPLICABLE LAW AND JURISDICTION

- 11.1. Sections 11.2 to 11.5 apply save where the Services Agreement incorporating these GTCC (or otherwise rendering these GTCC applicable) contain provisions that specify the law and jurisdiction that apply to the Services Agreement (in which event such provisions shall instead apply).
- 11.2. These GTCC and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to these GTCC or their formation (including any non-contractual dispute or claim) shall be governed by and construed in

accordance with English law. The English courts located in London shall have exclusive jurisdiction to determine any dispute arising in connection with these GTCC, save that AH shall retain the right to bring proceedings against the Client in the courts of any other competent jurisdiction whether or not proceedings in the English Courts are pending or have been prosecuted to judgment.

- 11.3. In the event of any dispute arising out of or relating to these GTCC as set out in Section 11.2, AH may at its sole and exclusive discretion refer such dispute for final resolution by arbitration under the London Court of International Arbitration (“LCIA”) Rules. The LCIA Rules are deemed to be incorporated by reference into this Section 11.3.

- 12.1. The Client hereby represents, warrants, undertakes and acknowledges that: (1) to the extent that any laws, statutes, regulations, and codes relating to anti-bribery, anti-corruption, anti-money laundering, terrorist financing, and unfair and prohibited business practices (including but not limited to, the UK Bribery Act 2010 and the US Foreign Corrupt Practices Act) (collectively referred to herein as the “Laws”) apply to any aspect of the relationship between AH and the Client, the Client shall at all times comply with the Laws and will remain in compliance with the Laws; (2) any funds or monies paid to AH by the Client shall not have been derived as proceeds of money laundering, terrorist financing and/or of any other illegal or criminal act or activity; (3) the Client and all Passengers are not a Designated Party (a “Designated Party” means any person or entity that is designated in published lists issued by the U.S. government or the United Nations or the European Union as a Specially Designated National or a Designated Person, a terrorist, a foreign terrorist organization, an organization that assists or provides support to a foreign terrorist organization, a proliferator of weapons of mass destruction, a narcotics trafficker or any other similar designation that would prohibit AH from engaging in a transaction with that individual or entity under applicable law), or the subject or target of any economic or trade sanction law or regulation or travel ban; (4) no employee or director or owner or shareholder or parent company or affiliate or subsidiary of the Client, and no Passenger is a Designated Party, or the subject or target of any economic or trade sanction law or regulation or travel ban; (5) in the event that the Client or any employee or director or owner or shareholder or parent company or affiliate or subsidiary of the Client, or any Passenger, becomes a Designated Party or the subject or target of any economic or trade sanction law or regulation or travel ban, then Client shall disclose such an event to AH immediately; (6) baggage and cargo of the Client and that of all Passengers shall not violate any applicable export control laws. Without prejudice to the generality of the foregoing, and specifically with respect to flights to Iran, the Client and all Passengers shall not take onto the aircraft or include in any baggage or cargo any: (i) arms or related materiel, including defence articles, defence services, or technical data that are controlled on the United States Munitions List (USML) established under section 38 of the Arms Export Control Act (22 U.S.C. § 2778), (ii) any item that is or would be, if located in the United States controlled by ECCNs OA-E521 or 600 series ECCNs, (iii) items used to facilitate the development or production of a chemical or biological weapon or other weapon of mass destruction and their means of delivery, including ballistic missiles, or (iv) items that would require separate authorization from the Office of Foreign Assets Control of the US Department of the Treasury under the Iranian Transactions and Sanctions Regulations (31 C.F.R. part 560) or from any other U.S. Government agency; (7) the Client and the Passengers shall comply with any and all applicable economic and trade sanction laws and regulations which are applicable to them, including without limitation the economic and trade sanction laws and regulations enacted by the United States, the United Nations, and the European Union; (8) any and all information and documentation provided by the Client to AH during AH’s due diligence process are accurate and complete; (9) AH may be legally bound to file reports to any competent authority concerning any breach by Client, or by any Passenger, of any applicable economic or trade sanction laws or regulations or Laws; (10) AH may be required by applicable economic or trade sanction laws or regulations or Laws to block or freeze funds received from Client and which are within AH’s possession or control. Such blocking or freezing of funds by AH shall be affected without any liability to Client. AH may furthermore and without liability to the Client or to any person named in (4) above, deal with and remit such funds in such manner as prescribed by the applicable economic or trade sanction laws or regulations or Laws and/or as prescribed to AH by the relevant authorities. (11) the Client and the Passengers will not engage in or facilitate any activity that could lead AH to breach any Laws, economic or trade sanction law or regulation or travel ban; (12) without prejudice to the foregoing, AH may, without liability to Client or to any other person, refuse carriage to any person or

refuse to operate any flight if, in the sole and absolute judgement of AH, such carriage or the operation of such flight would result in violation (in any jurisdiction) of any enforcement order, warrant, law or regulation or economic or trade sanction law or travel ban; (13) without prejudice to the foregoing, AH may, without liability to Client or to any other person, refuse carriage to any person if, in the sole and absolute judgement of AH, such person has been convicted or adjudicated of a criminal offence in any jurisdiction: (i) related to drug possession or trafficking, human rights violations, terrorism, or to fraud, theft, bribery, corruption, money laundering, terrorist financing or other financial impropriety; and/or (ii) which, in the sole and absolute judgment of AH, may bring AH into disrepute; and/or (iii) which, in AH's reasonable opinion, is prejudicial to AH's interests.

- 12.2. Client hereby consents and gives permission to AH to carry out due diligence or other screening activities (including background checks) on Client and Passengers. Moreover and without prejudice to the foregoing, Client shall promptly provide to AH any and all information and documentation reasonably requested by AH at any time in order for AH to be able to perform its due diligence, screening, and assessment processes and procedures to ensure that no Passenger intended to be carried and no flight intended to be operated under the provisions of these GTCC violates any provision of these GTCC or any law or regulation or economic or trade sanction law or travel ban; and, if so required by AH at any time the Client shall certify to AH in writing compliance with this contractual provision, and shall promptly provide such supporting evidence of compliance as AH may reasonably request.
- 12.3. Client and/or any Passenger shall not engage in any inappropriate conduct against any employee, agent, representative or contractor of AH and/or the actual air carrier, which may include, but is no way limited to, harassment (verbal or physical), threats, discrimination or acts of violence.
- 12.4. AH may (without prejudice to all its other rights under the Services Agreement, under the GTCC, and at law) terminate the Services Agreement by means of written notice to the Client, with immediate effect, without need of judicial recourse, and without liability for compensation or damages (whether direct and/or indirect) of any type or nature in favour of the Client, in the event that: i. the Client breaches any representation, warranty, prohibition, undertaking or acknowledgment set forth in this Section 12 and fails to remedy (if such a breach is remediable in the sole discretion of AH) that breach within 10 days of Client being notified in writing of the breach; or, ii. the Client and/or any of its directors and/or employees and/or owners and/or shareholders and/or parent companies and/or affiliates and/or subsidiaries becomes a Designated Party or the subject or target of any economic or trade sanction law or regulation or travel ban; or, iii. the Client and/or any Passenger has been convicted of a criminal offence related to human rights violations, terrorism, or to fraud, theft, bribery, corruption, money laundering, terrorist financing or other financial impropriety.

Furthermore, Client assumes all liability and shall indemnify, reimburse, and hold free and harmless AH, its officers, directors, shareholders, employees, agents, and subcontractors (each an "Indemnitee"), from and against any and all claims, demands, suits, judgments, losses, fines, penalties, damages, costs, liabilities and causes of action, including costs and expenses incidental thereto, incurred or suffered by any Indemnitee by reason of or in connection with a breach or deemed breach by Client of any representation, warranty, undertaking or acknowledgement set forth in Section 12 above. This indemnity (i) (for the avoidance of doubt) is not limited by any provision in the Services Agreement and (ii) will survive the termination or expiration of the flight and/or Services Agreement.

13. CONFIDENTIAL INFORMATION

AH acknowledges that, as a result of AH delivering flight services to the Client, AH and its employees may learn confidential and proprietary information relating to the Client and/or Passengers ("Confidential Information"). AH undertakes not to, and shall procure that its employees shall not, disclose such Confidential Information to any third party save:

- (i) as required to deliver those flight services and any ancillary services requested by the Client and/or Passengers;
